Ministry Update

Hello everyone! A lot has happened since I last sent a newsletter; so let me take a moment to catch you up. Since the last newsletter, Ministry Wings Aviation has sponsored our first flight! One of MWA’s board members, Dr. David Timm, while in Canadian, Texas heard of the need for a private airplane to fly internationally known speaker, Sheila Walsh, to an upcoming conference. The Canadian Ministerial Alliance had been praying for some time that the Lord would provide a plane and a pilot. So, the Lord in His wisdom allowed circumstances for us to be an answer to that prayer.

It’s absolutely amazing how the Lord works in the lives of those who trust Him. It’s a miraculous event for a small town of Canadian, Texas and two ladies, Possum Jahnel and Sherry Timmons, who had a heart to minister to women of their area and surrounding communities. It was miraculous to see how perfectly the Lord arranged the circumstances for a small ministry, Ministry Wings Aviation, to be a part of the transformation of lives that took place during that weekend.

With faith, MWA committed and provided a direct roundtrip flight for Sheila and her family with an aircraft perfectly suited for the mission (Proverbs 16:9). As a direct result, MWA shared in the blessing received by the 600+ attendees who came to hear Sheila speak.

Also, MWA has received some great publicity lately in our community newspapers. We were mentioned twice in the Canadian Newspaper. We were also featured in the Amarillo Globe News just last May with exposure on the front of the paper and the front page of the Faith section.

I have to say I never expected the Lord to move so strongly this year. It is all truly miraculous how the Lord has used Ministry Wings this year so far. The hopes and desires the Lord places in our hearts are for His purpose and reason and it’s such a thrill to be used after years of waiting on the Lord’s timing. I believe this is only the beginning of the countless other flights and programs our ministry will provide in the future.

I feel our future will be bright. We hope to launch our Empty Flight Plan soon, a program to provide corporate and private air
transportation to people serving the Kingdom of Christ. But we can’t do it alone, so I need to ask for your help. I’m not going to ask for money, but I do need your prayers. As the newspaper article titled “A Wings and Some Prayers”, I’d like to change it to “A Wing and A Lot of Prayers”. I need your prayer support!

Pray especially for Mike Stone as he tweaks the empty flight plan into a workable system that will serve as a blessing for God’s people in ministry. Pray also for Trey Dewey and myself as we work with Mike to test the already completed application and release it for public use. This has been a slow process for all of us. With the demands of families & jobs, we only can work on this as time allows. So please keep all of us in your prayers.

Finally, how can we thank God enough for you in return for all the joy we have in the presence of our God because of you? (1 Thessalonians 9:12) We are thankful for you all, our supporters and prayer warriors! We pray that God will bless you all abundantly.

In Christ,
Justin & Carla Miller

So cool to see the ministry on the big screen at a conference!
