Ministry Wings Aviation Announces September Air Show

AMARILLO – June 13, 2013 – Ministry Wings Aviation, a local ministry connecting corporate aircraft with sick kids, ministries, missionaries, and disaster/humanitarian causes, announces its second annual “Air Fair and Car-nival” air and car show on Saturday, September 7th, at River Falls Airport east of Lake Tanglewood.

This event, open to the public from 9:30 am to 5 pm, features a variety of flying performances, including pilot Randy Henderson with the Texas T-Cart Airshows performing a “deadstick” routine in his clipped-wing Taylorcraft, pilot Ron Cain and his de Havilland Chipmunk (a post World War II military training aircraft), Scott Lane and Jeff Southern performing a formation aerobatic routine in their Pitts S2S, a Supermarine Spitfire aircraft, a T-34 Mentor military training aircraft, a Turbine Thrush crop duster, a large-scale remote-control (RC) aircraft display by Johnny and Mark Cavitt, and much more. Texas Department of Public Service and LifeStar helicopters will also make

appearances. Our local EAA chapter 267 will be giving away free airplane rides for children ages 8-17.

Held alongside the air show, the car show presented by the Pura Vida Car Club features a variety of vintage and contemporary automobiles, trucks, motorcycles, and RC aircraft. Live musical entertainment will be provided by Fresh Promotions with A-Ron, DJ Teddy, J Da Truth, and The Fight. Other highlights include a live auction (with a family Disneyland vacation package), food vendors, and a large children's entertainment area.

According to Justin Miller, Executive Director of Ministry Wings Aviation, general admission is \$10 and children 10 and under are free. "Amarillo has a fantastic air and road culture—from old Route 66 and the air base to Bell Helicopter—and we want to celebrate it with a fun family event," Miller says. "We hope it will connect the local public with the many aircraft and vehicle enthusiasts in this area."

About Ministry Wings Aviation: Ministry Wings Aviation is an Amarillo-based ministry that provides private air transportation to Christian churches, ministries, missionaries, sick children, and Christ-based humanitarian and/or disaster relief organizations.
